

Left Reverse

- Name 4 places where it would NOT be suitable to reverse round the corner?
- Why should you look into the junction as you drive past it?
- How will vehicles approaching from behind know you are reversing?
- Why is it important to have continued all round observations?
- Name 2 reasons why it is safer to reverse slowly?
- Why should you never reverse from a side road into a major road?
- If any other vehicles approach, who has priority while you are reversing?
- If you adjust the mirrors to help you see the kerb, what MUST you do when you have completed the manoeuvre?
