

## Meeting Questions

- Why is it important to identify meeting situations early?
- How much clearance should you ideally give when passing parked cars?
- What should you do if you are unable to leave the required clearance?
- On narrow roads, how can good planning often avoid the need to stop at meeting situations?
- Who has priority when there are obstructions on both sides of the road?
- Name 2 things you should consider if the oncoming driver flashes their headlights?
- Name 2 advantages of having the correct holdback position?
- Why is it sometimes an advantage to give way even if you have priority?
