

Roundabouts Questions

- Unless otherwise marked, which lane should you normally position your vehicle in to go straight ahead at roundabouts?
- When could you use the right lane for going straight ahead?
- When approaching a roundabout, who has priority?
- When turning right at a roundabout, at what point would you signal left?
- Why is it important to check your mirror before leaving a roundabout?
- Why do some roundabouts have tiles or hatch markings around the centre of them?
